

INNES CORE VALUES

At Innes we will...

- Provide positive experiences for ALL
- Promote success for ALL
- Ensure ALL individuals feel safe, supported, and cared for

PRINCIPAL'S MESSAGE

I want to start with a big **thank you** to all of our parents and students. During the first three days of remote learning, we had roughly 90% of our 767 students join us virtually. For those that have not joined us yet, please do so ASAP. Our goal is to get 100% of our students to join us virtually. Parents, we can't thank you enough! **We couldn't do any of this without your support.**

For any students that still need help, please log into your administrator's or counselor's Google Classroom and join them in a Google Meet. We are available most all day to help students understand their schedule and get into their virtual classes. Don't hesitate to call the school or email your administrators/counselors as well if you need support.

Lastly, please take a few minutes to talk to your students about online etiquette. Overwhelmingly, the majority of our students did a great job this past week. However, we had a few students who made poor choices while in their virtual classrooms. Students should stay muted unless they are instructed to unmute by their teachers. Also, students should limit background distractions as much as possible to help create a better learning environment for themselves and their classmates.

- **Mr. Kurzen- Principal Innes CLC**

IMPORTANT REMINDERS
